(d) To ensure the quality of our broadband service we have a traffic prioritisation process to prioritise business critical applications in the event of exceptional demand, and normally only during business hours 08.00 to 18.00 Monday to Friday. However, it is unlikely that this will impact the quality of your broadband service.

1.5 Outbound service:

YOUR OBLIGATIONS

10. Paying our charges for the Services

10.1 Charges

You must pay the charges for the Services according to the applicable Tariff(s). This applies whether you or someone else use the Services and whether the Services are used with your full knowledge and consent or otherwise. (This means by way of example but not by way of limitation that you are liable to pay for all calls made as a result of "rogue diallers", unbarred premium rate numbers and calls made by any third party gaining unauthorised access to your telephony systems). We may vary the charges set out in the Tariff as explained in paragraph 19.2.

10.2 Installation and Connection charges

The Service Agreement, Order Schedules and Tariff(s) set out whether installation costs are payable for the Services we have agreed to supply to you. However, we may be unable (due to third party constraints) to tell you when you place, or we confirm, your order for the Services how much these installation costs will be. If this is the case, we will give you an estimate of how much the installation costs will be prior to commencement of the installation work, but there may be supplementary

excess construction charges. You agree to pay all installation costs actually incurred. In the event of an installation being cancelled before being completed you agree to pay all of the installation costs actually incurred to the point of cancellation which will be notified to you at the time.

10.3 Equipment

You must pay the charges for any Sale Equipment that we supply to you. We will invoice you for the Sale Equipment in the next invoice that we send to you (in accordance with paragraph 10.4) following the date on which we dispatch the Sale Equipment to you. You shall also pay the rental charges for any Rental Equipment that we supply to you, and we shall invoice you for this on a monthly basis in accordance with paragraph 10.4.

10.4 Invoices

We will send you your first invoice at the beginning of the month after the Services commence and thereafter on a monthly basis, but we shall be entitled to send you an invoice at a different time, which you shall pay in each case in accordance with paragraph 10.7. We will send all invoices and other correspondence to the address set out in the Service Agreement or otherwise the address you ask us to. We will show on the invoice which charges are payable in advance or in arrears, as referred to in paragraph 10.5. We will include all charges on the next invoice where possible, and in any event as soon as we can. Invoices shall be deemed to have been accepted by you if you do not present a written objection, identifying clearly the disputed invoice and the reasons why it is challenged, to us within six (6) months of the date of the invoice. If such objection is made we shall both make all reasonable efforts to resolve such dispute promptly. Provided you comply with these requirements in presenting your objection, if we fail to respond to that objection within thirty (30) days after its receipt by us, the objection will be deemed to have been accepted by us. We will accordingly amend the relevant invoice either with an appropriate credit to you or you shall be liable to pay the balance (if any) of the amended invoice within seven (7) days of its receipt by you.

10.5 Rental and Call charges

You will incur charges from the time any part of a Service is used or received except in the case of Services subject to a periodic rental, in which case you will incur charges from the date the Service is made available for use. We will usually ask you to pay the rental in advance and your first invoice will include both one month's rental in advance and a charge for a part month's rental from the

Contract Commencement Date up to the beginning of the first complete month, where appropriate, and then monthly in advance thereafter. Call and other charges will be invoiced in arrears. We will calculate the charges for Calls using the details recorded by our network.

10.6 Payments in advance and deposits

(a) We may ask you for a payment in advance before payment would normally be due, which you shall pay in accordance with paragraph 10.7. This advance payment will not be more than our best estimate of your following month's invoice. Should your advance payment exceed your actual invoice then any surplus will be credited to your account to be offset against subsequent invoices, should there be no further invoices and your account is not in debit then we will refund to you any surplus after deducting any cancellation or termination charges.

(b) We may ask for a deposit at any time, as security for payment of your invoices if it is reasonable for us to do so, which you shall pay in accordance with paragraph 10.7. Our procedures for deposits will be explained to you at the relevant time.

10.7 Terms of payment

Our standard credit terms are payment within fourteen (14) days of date of invoice by direct debit and these are the credit terms which will apply to this Agreement unless we have agreed otherwise in writing. You must pay all charges and rental within the credit terms which we have agreed and any advance payments and deposits when we ask for them. We reserve the right to apply a nominal monthly charge for non direct debit payment methods. Where payment is arranged through a finance provider payment shall be in accordance with the terms of the finance agreement. Unless otherwise stated all charges exclude VAT which is chargeable at the applicable rate. If you pay us from a non UK bank account which means we incur costs for receiving international payments, then we shall pass these costs on to you.

10.8 Tariff

(a) You hereby acknowledge and agree that we have agreed to supply the Services to you at the agreed Tariff and charges on the basis that you have committed to the Minimum Spend and Minimum Term commitments.

(b) Our call rates for outbound calls to UK non geographic numbers are charged according to the banding used by BT. You hereby acknowledge and agree that there may be occasions where a call type moves from one band to another band or BT change their charging structure and

subsequently the charges for some of these call types may change, we will apply this change from the 1st of the month following the change and you acknowledge that we may not always be able to give you notice of such changes.

(c) Where you take any bundled service you agree to pay for all chargeable items which are excluded from or exceed the allowance of the bundle.

(d) Unless otherwise agreed with you in writing all call costs in our Tariff are displayed in pence per minute. All billing is per second, call durations are measured up to the whole second and the call charges rounded up to a penny.

(e) Inbound bundles include calls which terminate to UK landline numbers only, unless specified otherwise in writing. Should you terminate your calls to a mobile, a non-geographic or an international number then standard call charges will apply and are available on request.

(f) You accept there may be charges for elements of a Service (such as additional features, regrades, moves or ceases) that you may incur which may not be detailed in your Service Agreement but you accept responsibility for these charges should they occur.

10.9 Finance and Credit

10.9.1 You hereby consent to and shall procure that your owners, directors, officers and assigns consent to, us carrying out searches with credit reference agencies relating to the credit worthiness of your Company and/or your owners, directors, officers and assigns and you undertake to supply or procure the supply of all information requested for a credit search with a credit reference agency, who will add to your records and/or those records of your directors, officers and assigns details of the searches and these will be seen by other organisations that make searches.

10.9.2 It is agreed that where we approach a finance provider to arrange finance for the purchase of Equipment then we are acting as an agent for the Customer and not for the finance provider.

10.9.3 In the event that we are unable to obtain finance on the terms originally proposed or on other terms acceptable to you then we shall return any deposit received from you without further liability to you. Where third party indemnities are required by the finance provider failure to provide such indemnities shall

constitute a breach of these Conditions and shall entitle us to retain any deposit paid by you.

10.9.4 After delivery and installation (where applicable) is completed any failure by you to complete the finance agreement documentation and/or commence payment in accordance with the terms of the finance agreement shall render you liable to pay to us the full value of the order (plus VAT) within seven (7) days of presentation of an invoice.

10.10 Inbound Rebates

We reserve the right to offset any inbound rebates which may be due to you against any amounts you may owe to us. We reserve the right not to pay any inbound rebates until such rebates total a cumulative minimum of £5 in any month.

10.11 Offsetting

Where we owe you any monies, you agree that we may offset this against any monies you may owe us before we make any payment to you.

10.12 Online Orders and Payments

Where you place an order and make a payment online for that order and we accept your order, we will confirm your order and receipt of payment by email at which point your contract will be binding. You may also get a payment confirmation from the third party payment processing company. Where we do not accept your order we reserve the right to return a payment to you. You should contact us immediately if you have any concerns regarding the order or payment. Where you fail to advise us of any issues regarding your online payment we are not liable for any consequences of any such payment but will make reasonable endeavours to rectify any of your concerns.

10.13 Trial Periods

Where you take a product or service on a trial basis for a full, reduced or zero charge for a fixed period, unless otherwise advised to you in writing, you need to give us notice in writing if you wish to cancel the Service at the end of the trial. If you fail to give us notice then we will automatically invoice you for the product or service at the end of the trial for the remainder of the agreed contract term (or where there is no agreed term, for a minimum of twelve months). For the avoidance of doubt, unless otherwise agreed in writing you will be liable for all usage charges during the trial period. Should you wish to cancel after the trial then you agree to return, at your own cost, any equipment to us in full working order.

10.14 Other Charges

We reserve the right to make a nominal monthly charge for paper itemised billing; our basic online billing is provided as standard to all customers free of charge. We also reserve the right to apply a £20 per month minimum charge if your monthly invoice would be less than £20.

10.15 Credit Limit

We may apply a credit limit to your account and if you exceed this credit limit we reserve the right to suspend Services until you have paid a deposit.

If a claim is made against us because the Services are misused in these ways, you must indemnify us in respect of any sums we are obliged to pay and/or costs we incur.

11.4 Indemnity

(a) If you use the Services for business purposes, you must indemnify us against any claims that anyone (other than you) threatens or makes against us because the Services are faulty or cannot be used by them.

(b) Where you take any product or service via Gamma Business Communications for which you are billed by us but where you are directly contracted to third party for that product or service, including but not limited to maintenance and insurance, you agree to indemnify us from any direct or indirect claims in relation to this product or service. You also agree not to make any deduction from any monies owed to us as a result of any dispute you may have with any such third party.

11.5 Line rentals

When we provide your Line rentals, we will route your Calls through our network. No other service provider may route these Calls or attempt to, and if they do we reserve the right to bar these calls. Where your lines are transferred to us on a like for like basis, you agree to pay for any additional services which may exist on your lines that you may not have made us aware of at the time of ordering regardless of when these services are billed to

us by the underlying supplier (including but not limited to telephone book entries that may be billed to us annually by BT).

11.6 Call charges

We will bill you for all Calls that are routed over our chosen network provider. Any Calls that are routed by other means for any reason beyond our control and for which you are invoiced by another provider will remain your responsibility. It is your responsibility to advise us if you receive invoices from other providers for services you believe to be with us and you should advise us as soon as you receive these invoices. We shall not be liable for any loss or damages as a result of you being invoiced by other providers (including but not limited to any perceived loss of savings).

11.7 Existing Contractual Obligations

It is your responsibility to ensure that signing a contract with us does not breach any existing contractual obligations you may have with any other suppliers and you should give any other suppliers notice as may be required by them. We are not responsible or liable for any costs, financial losses or disputes that may arise from any such breach of contract or your failure to give the correct notice. We recommend that you review these commitments before transferring any Services to us so that you understand the impact such transfer may have prior to transferring any such services.

11.8 Resilience

It is your responsibility to ensure you have adequate resilience in place to protect against any loss of data, service or connectivity; this includes a separate power supply for IPT phones. In accordance with paragraph 13.2, we will not be liable for any loss or damage (financial or otherwise) where you fail to do so.

11.9 Emergency Calls

IP Phones need an additional power supply to operate. In the event of a power failure it is your responsibility to ensure you have the means to make Emergency Calls. In accordance with paragraph 13.2, we will not be liable for any loss or damage (financial or otherwise) where you fail to do so.

11.10 User Names, Passwords and Pin Codes

It is your responsibility to keep private any user names, passwords or pin codes that we may provide you with to use any of our Services. You are liable for all charges associated with the use of such user names, passwords

and pin codes to access our Services unless you advise us that the security of any of the user names, passwords or pin codes may have been compromised and we confirm back to you that we have disabled the access. Should you fail to notify us of any such compromise in security then you will remain liable for all charges incurred in accessing the Services. Where we disable any access following a compromise in security, we shall provide you with new user names, passwords or pin codes as appropriate which are subject to the terms of this paragraph.

11.11 Your Details

It is your responsibility to inform us of any changes to any of your personal details including but not limited to contact names, telephone numbers, email addresses, site addresses or billing addresses. We shall not be liable for any consequence of us having any incorrect details unless due to our negligence.

11.12 Outbound Calling Number Presentation

Where you are able to nominate a telephone number as your outbound calling presentation number you agree to comply with all applicable laws and regulations that may be relevant at the time. Where our Service offers number presentation options, we cannot guarantee consistent presentation of the intended number for calls made to mobile or international carriers as successful presentation of the number is entirely dependent on the carriers use of these numbers. We shall have no liability to you should your nominated number fail to present at any time.

REPAIRING FAULTS

12. Repairing faults

12.1 We will investigate any fault that is reported to us according to our standard procedures for the Service in question (which are available on request). We will use reasonable endeavours to repair any fault that is reported to us and which is directly caused by us or our employees or agents according to our standard procedures for the Service in question.

12.2 When we agree to work on a fault outside the hours covered by our standard procedures, you will be liable to pay us an extra charge at the applicable rate set out in our tariffs in force at the time.

12.3 If you tell us there is a fault in a Service and we find either that there is not or that you, someone at your premises or a third party (including, without limitation, another network operator or communications supplier) has caused the fault or the interruption in service, we

may charge you for any work we have done to try to find the fault or to repair it. We are not liable for any loss or damages arising from a fault or interruption in service caused by someone other than us, and we are not responsible for fixing any faults not caused by us.

12.4 During any fault investigations, we may require you to carry out tests and we will require you to feedback any results of these tests to allow us to follow our standard procedures and conclude our investigations.

12.5 Where Call routing utilises IP, you acknowledge that call quality and availability can be subject to factors outside of our control e.g. bandwidth contention or quality of service (QoS). We shall not be liable to you in respect to any quality or availability issues with such a Service.

12.6 Where a fault reported is deemed to be caused by a router provided by Data Pacific Ltd, we will replace this as long as the current router is within its warranty period. We will ship a new router to you as soon as possible, preconfigured with the username and password and any IP Addressing requested on the original order. At this point a charge for the new router will be raised and only credited back on receipt of the original faulty router. If the router is outside of the 12 month warranty period, the new router is chargeable and will show on the next invoice.

LIMITATION OF LIABILITY

13. Liability

13.1 We accept liability for personal injury or death as a result of our negligence. We also accept liability for fraud or fraudulent misrepresentation. We do not limit that liability and paragraphs 13.2 and 13.3 do not apply to that liability.

13.2 We have no liability (howsoever caused including (without limitation) by negligence) for any loss of business, profits, revenue or savings you expected to make, wasted expense, financial loss, data being lost or damaged, lack of availability of IT and/or communications systems not provided by us, damage to reputation or for any liability for any loss that is not reasonably foreseeable or for any indirect or consequential loss.

13.3 Any liability we have of any sort (including any liability because of our negligence) is limited to £50,000 for any one event or any series of related events, and in any twelve (12) month period to £100,000 in total.

13.4 Except as expressly set out in this Agreement, all conditions, warranties, terms, undertakings and obligations implied by statute, common law, custom, trade usage or otherwise are hereby excluded to the maximum extent permitted by law.

13.5 Each part of this Agreement that excludes or limits our liability operates separately. If any part is disallowed or is not effective, the other parts will continue to apply.

13.6 We are not responsible for any pricing, typographical, or other errors and reserve the right to reject any orders where such an error may have occurred.

13.7 The provisions of this paragraph 13 shall continue to apply notwithstanding termination of this Agreement.

14. Matters beyond our reasonable control

If we cannot fulfil, or are delayed in fulfilling, or are interrupted in continuing to fulfil, our obligations under this Agreement because of something beyond our reasonable control such as, without limitation, lightning, flood, or exceptionally severe weather, fire or explosion, civil disorder, war, or military operations, national or local emergency, anything done by government or other competent authority, acts or omissions of other communications suppliers or network operators, or industrial disputes of any kind, (including those involving our employees or suppliers), we will not be liable for this.

CHANGING AND TERMINATING THE AGREEMENT

15. Breach of the Agreement

15.1 We may suspend any or all of the Services or terminate the Agreement immediately at any time by notifying you in writing if:

(a) you commit a material breach of this Agreement or any other agreement you have with us and fail to remedy the breach within a reasonable time of being asked to do so;

(b) we believe that the Service(s) are being used in a way forbidden by paragraph 11.3. This applies even if you do not know that the Service(s) are being used in such a way;

(c) bankruptcy or insolvency proceedings are brought against you, or if you do not make any payment under a judgment of a court on time, or (if you are a business) you make an arrangement with your creditors, or a receiver or administrator is appointed over any of your assets, or you go into liquidation.

15.2 If you fail to pay any charges due to us by the due date we may (without losing or reducing any other right or remedy) suspend any Service (in whole or in part) or terminate the Agreement without notice if;

(a) you fail to make any payment requested within seven (7) days of the date of a letter, e-mail or other appropriate correspondence requesting such payment;

(b) two (2) consecutive direct debit requests are rejected; and/or (c) you fail to pay any payment on the due date where there have been two (2) preceding failures which were remedied within the seven (7) day period.

15.3 We reserve the right to charge interest at the rate of five percent (5%) above the bank of England base rate per annum on any charges not paid by the due date for payment until the date when they are received by us.

15.4 If we suspend any Services, we will not provide them again until you rectify the situation that caused us to suspend the Services or you have satisfied us that you will do so or that the Services will not be used in a way that is forbidden by paragraph 11.3.

15.5 If we suspend any Services because you breach this Agreement, the Agreement will still continue and you must still pay us any rental charges as and when they arise unless and until the Agreement is terminated.

15.6 If this Agreement or any of the Services are terminated in accordance with this paragraph 15 during the Minimum Term or any agreed term applicable to each of the Services, we will levy a cancellation charge in relation to each relevant Service calculated in accordance with the following:-

(a) Each Service for which a monthly rental charge is payable - number of months remaining of Minimum Term for that Service multiplied by the monthly rental; and/or

(b) Call Spend – number of months remaining on Minimum Term multiplied by the monthly Minimum Spend (or the average of your last three months call spend where there is no Minimum Spend) and/or

(c) Repayment of any subsidised charges or any other contribution we may have made towards any other costs, as described in paragraph 18.2.

(d) Repayment of any discount or other benefit you may have received which was based on a minimum contract term commitment, and/or

(e) Any applicable cease charges as may be detailed in the tariff.

15.7 Following a suspension of services, we will only reactivate your services after you have paid the re-activation charges as may be advised at the time.

16. Cancelling the Services before they are provided (domestic users only)

16.1 If you are a domestic user, you may cancel the Services or an individual Service without giving any reason at any time up to fourteen (14) calendar days after either the date on which you accepted these Conditions (and the Service Agreement and other documents comprising this Agreement) or, if earlier, the date on which we commenced our supply of the Services to you, provided that you notify us clearly in writing of such cancellation within such period and return any equipment that we may have sent to you, undamaged and in its original packaging by sending it special delivery to us at 10 Wilkinson Court, Wilkinson Business Park, Wrexham, LL13 9AE. You will be deemed to have accepted these Conditions at the time you sign our Service Agreement and Order Schedule. These Conditions are available for download from www.datapacific.com/legal. Please note that if you have commenced using any Service or equipment after receiving these Conditions, you will also be deemed to have accepted these Conditions. If you cancel the Services or an individual Service, we will reimburse to you all payments received from you, including the costs of delivery of any equipment (except for the supplementary costs arising if you choose a type of delivery other than the least expensive type of standard delivery offered by us), and we will make the reimbursement using the same means of payment as you used for the initial transaction but in any event you will not incur any fees as a result of the reimbursement. No cancellation charge or other charge will be payable for the Services although if you do not return any equipment that we may have sent to you, we shall be entitled to charge you or withhold reimbursement for the costs we incur in collecting it from you. This does not affect your statutory rights. For the avoidance of doubt, this cancellation right does not apply to business users.

17. Terminating the Agreement after the Services are provided

17.1 Termination at end of Contract Term Expiry

(a) Either party may terminate this Agreement in respect of a Service by giving the other party not less than thirty (30) days notice in writing to take effect at the end of either the first or any subsequent Minimum Term for the relevant Service. Where a Service has a notice period of

greater than thirty (30) days then this amount of notice must be provided on that Service.

(b) If we give you notice to terminate under paragraph 17.1(a), you must pay rental and any charges for Calls made up to the end of the relevant Minimum Term.

(c) If you fail to give us notice you must pay rental until thirty (30) days, or longer where a service has a greater notice period, after you have ceased to use our Service.

(d) Some Services may incur cease charges as detailed in the Tariff and these will be chargeable on termination unless otherwise agreed in writing.

17.2 Termination before end of Contract Term Expiry

If you want to terminate this Agreement after the date on the Signed Service Agreement in respect of a Service prior to the end of any Minimum Term for the relevant Service (other than because we have materially altered the conditions of this Agreement under paragraph 19.3) you must give us at least thirty (30) days notice in writing and we will levy a cancellation charge calculated in accordance with the following:-

(a) Each Service for which a monthly rental charge is payable - number of months remaining of Minimum Term for that Service multiplied by the monthly rental; and/or

(b) Call Spend – number of months remaining on Minimum Term multiplied by the monthly Minimum Spend (or the average of your last three months call spend where there is no Minimum Spend); and/or

(c) Pro-rata or full repayment of any subsidised installation or any other contribution to upfront or ongoing costs paid by us as described in paragraph 18.3 and in accordance with the terms of the subsidised installation, and/or

(d) The appropriate notice period charge for each Service, and/or

(e) Repayment of any discount or other benefit you may have received which was based on a minimum contract term commitment, and/or

(f) Any applicable cease charges as may be detailed in the Tariff.

17.2.1 Should you fail to pay the early termination cancellation charges with 10 days (or 5 days for non direct debit payment) of the date of invoice we reserve the right to suspend your Services.

17.3 If you have paid any rental in respect of a Service for a period after this Agreement has ended in respect of that Service, we will either repay it or off set towards any money you owe us.

17.4 You must pay all charges for the Services until the date on which we stop providing the Services to you and any applicable notice period.

17.5 We also have the right to terminate this Agreement or any of the Services immediately on notice to you in accordance with paragraph 15 and in these circumstances the thirty (30) day notice period will not apply.

17.6 Additional Termination Provisions

(a) The provisions of this paragraph 17.6 shall be without prejudice to the other provisions of this Agreement.

(b) At the end of this Agreement, you shall be responsible for arranging for the Services to be provided by another supplier (“the New Supplier”).

(c) In the event that we terminate this Agreement pursuant to the provisions of paragraphs 15.1 or 15.2, the provision of Services shall end with immediate effect upon the service of notice to you, in accordance with the provisions of those paragraphs.

(d) If we terminate this Agreement pursuant to paragraph 17.1(a) or if you terminate this Agreement for any reason whatsoever, on receipt of your notice of termination we will apply Standard rates, applicable at the time, to all Services on your account to take effect following expiry of your notice period.

(e) Once you have served your minimum notice requirement we may serve you a minimum of 48 hours notice to suspend your Services. Following suspension of your Services under this paragraph you may request that Services are reconnected and agree these will be subject to a reconnection charge and a new minimum contract period. We will notify you of this charge and contract period at the time.

(f) Should you serve your required notice and fail to move your Services to a new supplier then you accept and agree that you will remain liable for all charges at our Standard rates (available at www.datapacific.com/legal) until such time that the Services are transferred to a new supplier.

18. Minimum Term Minimum Spend and Contract Renewal

18.1 The Minimum Term and Minimum Spend will be as specified on the Service Agreement, Order Schedules or Tariff(s) for each Service, or as otherwise agreed with you in writing. In the event that the Minimum Term is not on the Service Agreement or Order Schedules then the Minimum Term will be 12 months from your Contract Commencement Date. In the event that the Minimum Spend is not on the Service Agreement or Order Schedules then the Minimum Spend applicable will be the sum of any fixed rental charges plus the value of your call usage on your second bill from Gamma. The Minimum Term for any new installation will be at least twelve (12) months or greater as may be specified in the Service Agreement or Order Form.

18.2 If you fail to reach the annualised Minimum Spend commitment in respect of a Service over the initial Minimum Term and any renewal Minimum Term for such Service then we reserve the right to bill you the difference between the actual amount you spent and the amount you committed to spend pursuant to the Minimum Spend over the Minimum Term.

18.3 If this Agreement or any individual Services are terminated during the Minimum Term or any agreed term for the relevant Service(s) and you received free or subsidised installation or activation or any other contribution towards costs of any Services, Products, Equipment, Lines or third party termination charges as part of the Tariff or otherwise, then we reserve the right to impose a termination charge equal to the original cost divided by the number of the months in the relevant term, multiplied by the number of months remaining in the relevant term.

18.4 After the expiry of the initial and each subsequent Minimum Term, unless otherwise agreed with you in writing, your contract will automatically renew for a further period of 12 months. This automatic renewal reoccurs on each 12 month anniversary until the Agreement is terminated by either party by giving 30 days written notice to expire no earlier than the end of the then current Minimum Term in accordance with paragraph 17, subject to paragraph 15. Such automatic contract renewal will be on the same terms and, unless otherwise agreed in writing, the same Minimum Spend will apply. Paragraph 18.4 shall not apply to you if: 1) your business meets criteria as defined by Ofcom which would classify you as a residential or small business Customer unless you have opted in to the automatic contract renewal at the point of placing your order by ticking the applicable box on the Service Agreement. For the avoidance of doubt, should you not tick this box and your company does not meet the Ofcom criteria which

would classify your company as residential or small business then automatic contract renewal and paragraph 18.4 will apply.

19. Changing the Agreement

19.1 In general

If you ask us to make any change to the Services or Rental Equipment we will ask you to confirm your request in writing. No action will be taken by us to carry out the change until we have received your written confirmation. We will notify you of any changes on your monthly invoice and will post any changes or new terms and conditions on www.datapacific.com/legal. You agree that if you continue to use the Services following receipt of such notice you will be bound by the new/revised Conditions. We reserve the right to pass on any increase in our costs for the Services we provide to you at any time by no less than one (1) month's notice, the only exception being that detailed in 10.8(b).

19.3 Material Adverse Effect

Other than in the case of passing on cost increases, if a change has a material adverse effect on you or the Services we provide then the termination charges detailed in paragraph 17.2 will not be payable by you if you wish to terminate the Agreement or any of the Services before the end of the Minimum Term applicable to each of the Services. Termination charges for any subsidised installation as described in paragraph 17.2(c), 17.2(e) and 17.2(f) will remain in effect and will be payable by you.
